## **Our Resorts & Hotels**

As one of our preferred accommodation resorts, Holiday-Hydro, located close to both the international airport and Málaga city itself, offers an ideal environment and climate for both physical and mental healing in a holiday atmosphere.

## **Our Partnered Hospitals**

CHIP international hospital Malaga & Xanit international hospital in Benalmádena are two of our associated private hospitals. Both are equipped with state of the art instrumentation to provide an unsurpassed level service from internationally experienced and highly qualified medical staff.
