

Programs

In our health resorts, we combine state-of-the-art international medicine with traditional healing procedures. As our guest, you benefit from a sensitive and comprehensive diagnostics, which then build up our individual medical modules. Our Basic package forms the basis of your stay. On the next level, you and your treating physician can work out an individual health plan based on your body and personal goals. Modules include “Detox”, “Burn – Out Syndrome”, “Anti Pain”, “Man”, “Woman”, “Sports Medicine / Rehabilitation” and “Beauty”.

Moving forward in October 2017 you’ll find here our new programs for 2018 – stay excited!
