Vitality Explore 7-Days

Vitality *Explore,* **a program for your health which provides both awareness & understanding of your wellbeing**

We have developed the "***Explore***" modules to allow our guests the opportunity to experience *Vitality Group* as well as our programs and most importantly to get a professional medical input regarding your current health status.

During your stay you will meet with our team members and at least one doctor where our focus will be to understand your individual health situation and how to improve it.

You will also have the freedom to explore the whole resort and participate on on-site activities. Have fun in the beach aqua adventure park, enjoy some company in the beach club or relax in the Spa with indoor and giant outdoor pool.

Your luxury accommodation will leave you with memorable moments when sitting on a super sized terrace in your private Jacuzzi looking directly at the Mediterranean Sea!
